Commissioner for Patents

4/23/03 and 7/11/03 Amendments are not in compliance with 37 CFR 1.121. The 4/23/03 amendment adds claims 25-31. In an amendment filed 9/16/02 claims 25-27 were cancelled. Thus, the added claims in the 4/23/03 amendment should be numbered 28-34. The 7/11/03 amendment does not state the current status of each claim. Specifically, the amendment does not state claims 9-12 have been cancelled (see 9/16/02 amendment). Also, again claims 25-27 have been cancelled and thus can not be amended. Since the above mentioned replies (4/23/03 and 7/11/03) appear to be bona fide, applicants are given one (1) month or thirty days from the mailing date of this notice, whichever is longer, with which to supply the correction in order to avoid abandonment. Extensions of time may be available under the provisions of 37 CFR 1.136(a). In no event, however, may a reply be timely filed after six (6) months from the mailing date of this communication.
